IT - Il prodotto è adatto sia a cavia che conigli. Al fine di soddisfare la necessità fisiologica di rosicchiare dei roditori, si consiglia di inserire all'interno del prodotto un gioco da masticare.

UK - This habitat is suitable for rabbits and guinea pigs. In order to satisfy small animals' instinct to gnaw, we suggest to provide them with a nibbling toy.

FR - Le produit est adapté aux cobayes et aux lapins. Afin de satisfaire l'instinct de rongers de vos petits animaux, nous vous conseillons de placer à l'intérieur du produit un jouet à macher.

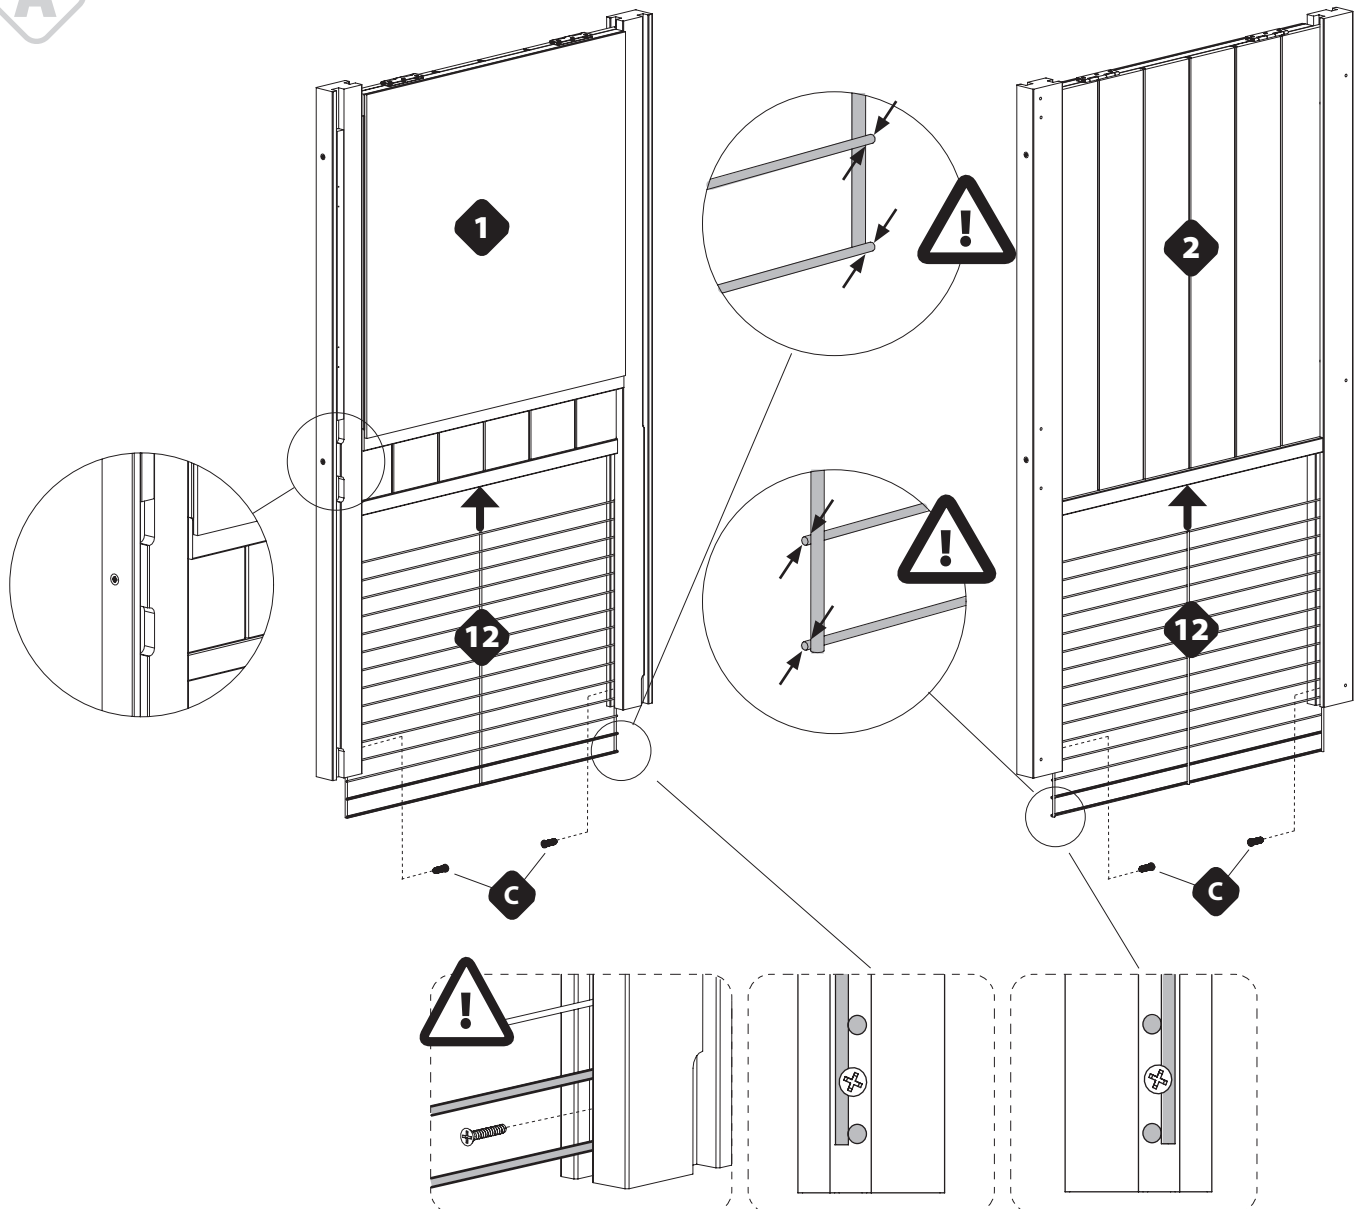

D - Dieses Heim ist geeignet für Kaninchen und Meerschweinchen. Um den Nagetrieb kleiner Tiere zu befriedigen, empfehlen wir ihnen ein Knabberspielzeug zur Verfügung zu stellen.

NL - Deze leefomgeving is geschikt voor konijnen en cavia's. Om tegemoet te komen aan het knaaginstinct van de kleine dieren adviseren wij u om ze een knaagspeeltje aan te bieden.

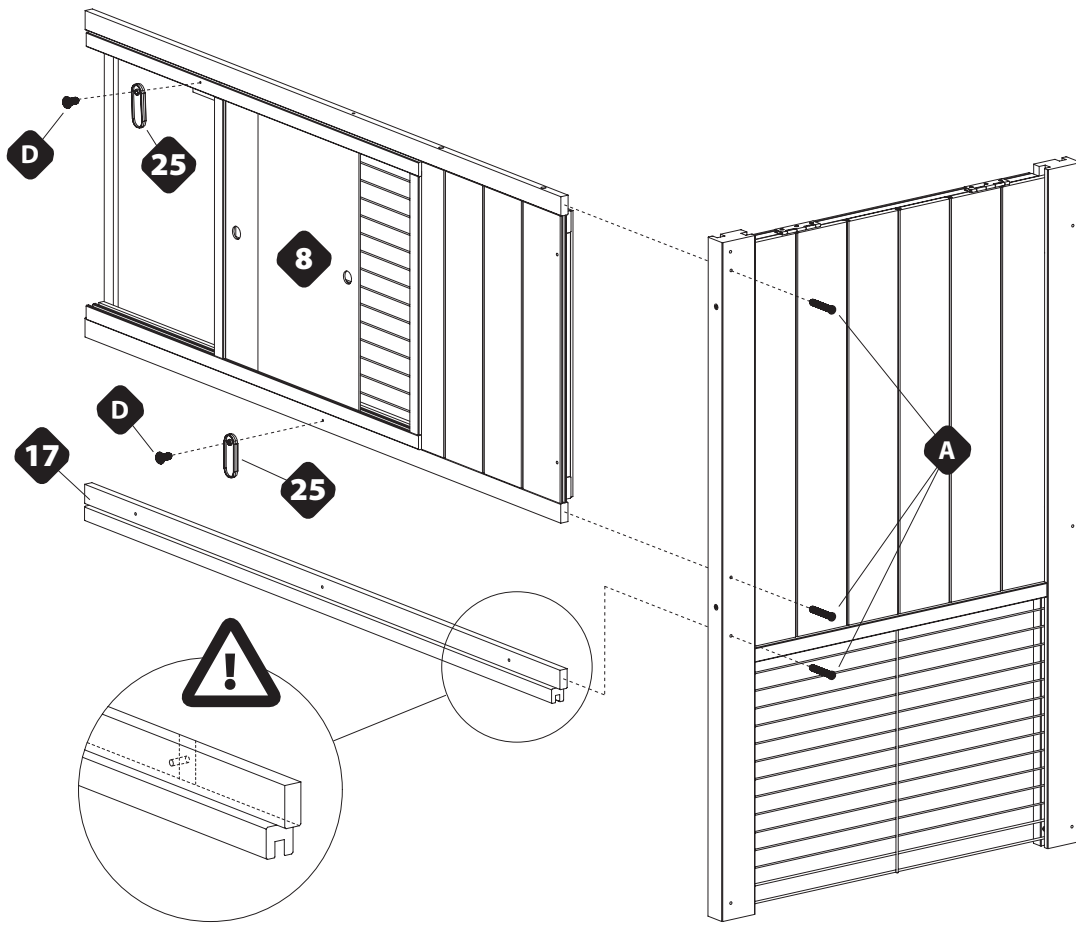

ES - El producto es adecuado tanto para las cobayas como para los conejos. Para satisfacer la necesidad fisiológica de roer de estos animales, se aconseja incorporar un juego en el interior del producto.

PT - Este habitat é adequado para coelhos e porquinhos-da-Índia. A fim de satisfazer o instinto de morder dos roedores de pequeno porte sugerimos que lhes dê o brinquedo para roer.

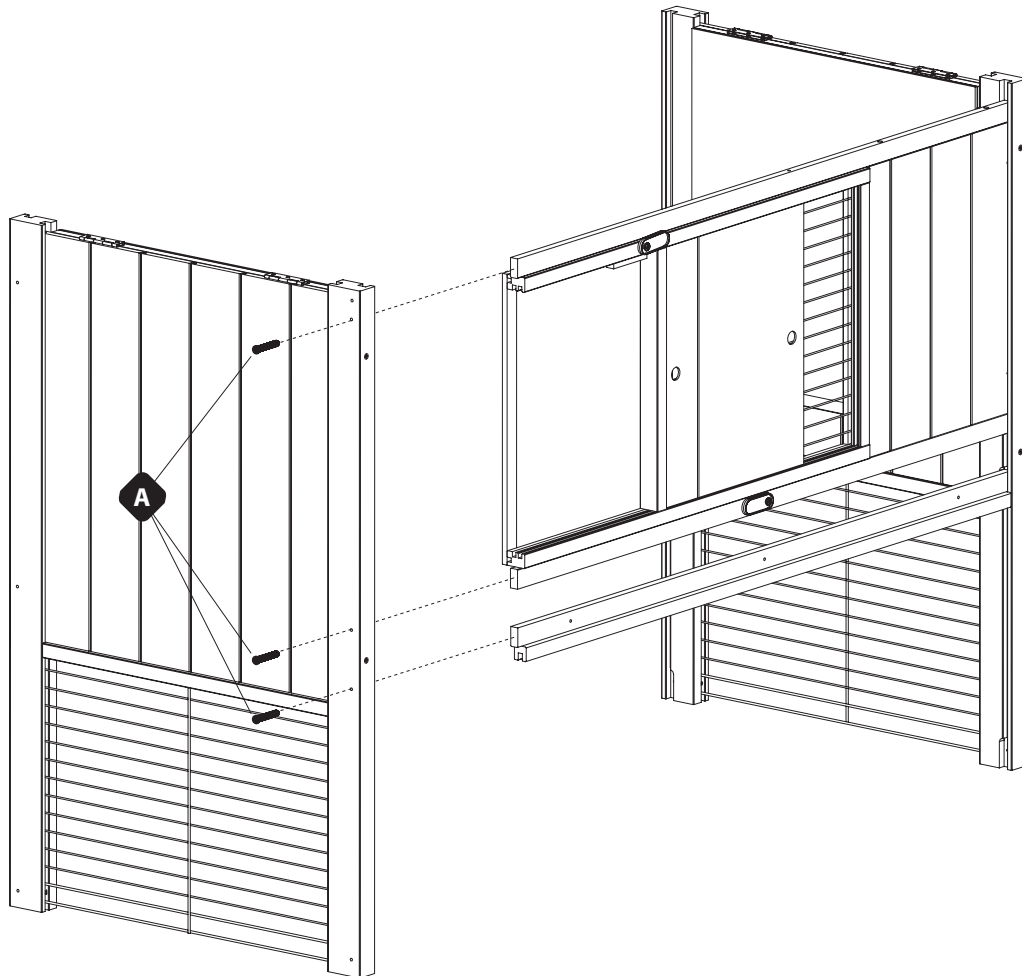

RU - Клетка для кроликов и морских свинок. Чтобы животные могли реализовать свою потребность в разгрызании, мы рекомендуем давать им жевательные игрушки.
